Property Features

6 bedroom Villa (3 apartments) in Mijas Pueblo

Mijas Pueblo Villa – unique opportunity.

VIEWS, VIEWS VIEWS & IN THE HEART OF THE WHITE VILLAGE OF MIJAS.

The property was a villa with 6 bedrooms in total, it is currently divided into 3 different apartments. However, with renovation this could be reconverted back into one home in the center of Mijas Pueblo. Or adapt into a bed & breakfast!

The property has a vacation rental license, so you earn rental income and live in the heart of Mijas.

Location and convenience are key features of this unique property. Restaurants, public transportation, and other services at street level.

Its traditional Andalusian style maintains the essence of a typical village home. But could be renovated and modernized to create an exceptional property.

There is a separate laundry, covered garage, BBQ area

All the documentation of the house is in order.
