Stunning Villa in La Alquería

A wonderful family home or as a holiday property earn £30,000 – £50,000 revenue per year!

Located in the desirable and green urbanisation of La Alqueria, just below the picturesque white Spanish Andalusian village of Mijas, this beautiful family home has southwest-facing terraces and mature Mediterranean gardens, with stunning views of La Concha Mountain above Marbella, the Mediterranean, and on a clear the Moroccan coast! The property is full of character and features a large modern family kitchen, snooker room, spacious heated pool, open fire, extensive storage, large grounds and double lockable garage. The private 10m x 4m (heated) pool and outdoor dining and Casita style lounge spaces, with a shaded BBQ and bar offer the perfect place for entertaining. There are 5 modern bedrooms and 4 bathrooms. The Living and dining areas are spacious and open to a deep outdoor terrace, with additional dining and lounge spaces, with that leads down to the pool at one end. Annual Fees for the property
