Private Villa with spectacular views near Valtocado

(Viewings by appointment only)

Panoramic Views. Swimming Pool. Complete Privacy.

This beautiful property has been lovingly maintained for decades by the same owner and is located in a serene area near Valtocado and close to Mijas Pueblo and just 40 mins to Malaga Airport.

Surrounded by mountains and nature, it is close to many walking tracks and has spectacular views out to the Mediterranean sea. The plot is immaculate, with irrigated mature gardens and trees (with natural water system) that descend over many levels with a casita at the very top overlooking the villa with breathtaking panoramic views.

The drive up is slightly steep and unlevel but once inside the property through security gates there is an electric gated garage, and a private oasis of calm that has many levels for entertaining, leisure and living.

GROUND FLOOR

An Entrance Foyer, opens to the kitchen and dining area to the left, with the living area to the straight ahead and stairs to the bedrooms & bathrooms.

Original features and tiles throughout the villa and full arch window doors surround the living and dining spaces that open to take advantage of the cooling breezes. Lovely traditional shutters offer security and a natural cooling system in the summer. Brick work runs along the living room wall and there is an open fire place.

The living area opens out onto a traditional covered casita terrace with inbuilt seating.

The pool area is stunning and has uninterrupted views out to sea, and is private and surrounded by nature. There is space and electricity points to install a solar heater in the pump room

FIRST FLOOR

3 bedrooms & 2 bathrooms are on this level, in a simplistic design.

The master bedroom has a full ensuite bathroom. And the other two rooms are large enough for double beds and have fitted wardrobes and shared a bathroom.

LOWER LEVEL

This lower level, is accessed from outside steps from the ground level and is perfect for a 4th bedroom or studio apartment. It needs to be completely refurbished but there is bathroom space with water connections are available and there is electricity. It is large enough for a double bedroom, ensuite and kitchenette.

OUTSIDE & GROUNDS

Ground level, above the garage, is a covered dining area with tables & chairs – close to the kitchen and perfect for entertaining in the mountains.
