Pueblo Townhouse - ready for complete refurbishment

Quaint and interesting, this historical property is located in the heart of Mijas Pueblo cobbled streets and ready for a 100% make-over!

Ideal for a builder, professional property flipper or as a convenient holiday pad in the pueblo.

It is compact at 30sqm build on each level, going up to two floors and then a 30qm roof terrace with small room, ideal to make a entertainment space or a bedroom with views.

Currently, the ground floor has kitchen, living & bathroom.

2nd floor has two rooms and large closet which could be an ensuite.

Roof terrace, has the shell of a room with electric – and great views to the sea and bullring.

Habitable as a home, it has been in the family for decades and is now on the market exclusively with us.

WITH SOME CREATIVE DESIGN AND CLEVER REMODELLING THIS PROPERTY COULD TURN INTO SOMETHING VERY INTERESTING.

Serious investors – For more information, photos, a video or to view the property please contact us.
