This townhouse has a lot to offer at a very attractive price. And, it has the “First Occupancy License” to obtain the tourist license for holiday rentals, which are extremely popular in this area. Walking distance to the Pueblo, with off-road parking, is a great advantage for holiday makers!

The townhouse is in a quiet row of only 4 properties, each with there own parking space and private access to the lower level of the urbanization and communal swimming pool.

You have your own private gardens, with a lemon tree, great panoramic sea views and it is walking distance to restaurants, bars, shops and transport.

Downstairs, there is a separate kitchen and open living and dining area with fireplace and bathroom.

The gardens are on two levels, providing enough space to install a jacuzzi, sun loungers, BBQ and entertaining area.

Upstairs, there are 3 bedrooms and a full bathroom. The two front double rooms each have doors that access a lovely covered terrace with panoramic sea views.
